TERROIR

Located in the upper basin of the Arc, the terroir is composed of scree and clay-sandstone from the Late Cretaceous period, with colluvial deposits from the surrounding hills.

The etymology of the name "Maupague" (meaning "giving little"), and the geological characteristics of the soil make this property particularly well-suited to the growing of grapes; there have been vines here for many generations.

VINEYARD

Average age of vines: 20 years

Grenache 70% Syrah 10 % Cinsault 20%

Yield: 45 hl/ha.

Minimum use of pesticide approach (Agriculture raisonnée)

VINIFICATION

Skin maceration of the destemmed grapes during filling of the water-cooled pneumatic press.

Draining of the juices, and then light pressing at constant temperature.

TASTING NOTES

Pale litchi pink in colour

An elegant nose of raspberries accentuated with spices such as liquorice and curry.

A nice balance between the roundness and minerality

MATCHING FOOD & WINE

This wine will pair well with shellfish and crustaceans as well as soft goat cheese. Serve chilled
